

A division of Parrish & Heimbecker, Limited

**Trusted Expertise.
Canadian Feed
You Can Count On.**

New-Life Mills is a Canadian feed manufacturer with a clear purpose: helping producers succeed. Backed by decades of nutrition expertise and a commitment to quality, we deliver feed solutions that support animal health, performance, and profitability.

We operate five mill locations—four across Ontario and one in Clavet, Saskatchewan—ensuring consistent quality and reliable supply where our customers need it most.

As a division of Parrish & Heimbecker, we're part of a legacy of agricultural leadership. We're FeedAssure® certified, focused on safety, and proud to serve poultry, swine, and ruminant producers across the country.
